

MAKE YOUR DATA WORK FOR YOU

The Energy Data File is available **on-line** through the **ENERGY STATISTICS and PROJECTIONS HOMEPAGE**:

http://www.med.govt.nz/ers/en_stats.html

which includes a summary and contents section, available free (in html format), and an electronic version of the full report (in pdf format) including the report's main tables in Excel™ format, requiring a user code and password to access, priced the same as the paper version of the publication for a single-user licence.

This allows rapid remote and on-screen access, and also allows the data to be printed, and copied directly into other databases or documents (subject to copyright restrictions).

Copies of this publication are available at:

- \$50 (excl. GST) – paper version
- \$50 (excl. GST) – on-line version including data in Excel™ format on disk (single-user licence)
- \$150 (excl. GST) – paper version including data in Excel™ format on disk (single-user licence)

Data disks contain the publication's main tables in Microsoft Excel™ format. They are for a single-user licence and are not available separately from the publication.
