

MINISTERIAL INQUIRY INTO THE ELECTRICITY INDUSTRY 021

R D 1
Hikurangi
NORTHLAND

26 Feb 2000

Electricity Enquiry

I enclose required form. Northpower as it was were a great power board, great service and always pleasant to discuss things with. I was so disgusted with these reforms I wrote to Minister Bradford and received a letter back and quite frankly understand except we ? to get cheaper power!!!

I think the whole issue was to sell our power schemes to overseas companies and not for our benefit.

Sincerely

(*Signed*) R D Rani (?)
